

Dear veterans ,

Thank you for serving our country and helping us , thank you for your sacrifices for us I am very thankful for you also we watched videos about Veterans Day when they come home to there families and there so happy and when you come back to your family I bet there really happy ! I couldn't imagine what we will do without here people going to war for us helping us sacrificing there life for us , it's such a blessing . And I know that it's heartbreaking when you leave your families and you miss them and they miss you to , but eventually you'll see them again then you'll be happy with them . Once again I thank you very very much for your help happy Veterans Day to you guys . And I know it's hard and your going to miss your families , but in my life I don't have no one in my family who works in the military or anything like that , so fro you guys to actually sacrifice your life for us I'm so thank full for you guys ! Happy Veterans Day and o appreciate you so much.

Sincerely ,

*Aliya*
