Dear Veteran,

Happy Veteran's Day! My name is Jett and I am honored to be able to thank you for all you do for this country. War is a horrible, so I could never begin to understand what you must of went through. But, we are be able to have a free and safe country is all because of people like you protecting us. You are the true definition of a hero. I admire that you were able to get through those hard times. I think that veterans are truly remarkable and they are something that most people in America should strive for. Thank you for your bravery and commitment.

Sincerely,

Jett
