

Dear Veteran,

Thank you for your time and bravery and sacrifice. Thanks to you we are forever free. I for one have a lot of respect for you because my aunt fixes the planes. I cannot imagine a world without you, because we would not be free if you were not here. There are so many things that we have now that we would not have if you had not risked your life, every day for me. Thank you so much. I hope you have an amazing Veteran day.

Sincerely,

Laura
