

Dear Veteran,

Thank you for serving for our country. It is a big job to work in the military because you have to have bravery and strength. But you did it, you fought for our freedom! I know that being in the military is a big and important job because my grandma and grandpa fought in the military too. And I thank them every Veterans Day for fighting. Just like how I am thanking you on this Veterans Day! You are inspirational to young listeners. Thank you so much for fighting for the United States. Happy Veterans Day!

Sincerely,

*Ramiyah.*
