

Dear Veteran

Thank you so much for sacrificing your life to help us all. I had three people that are Veterans in my family and I am just so glad to have you guys here for us. We were in class learning about Veterans Day and I enjoyed it very much! You guys have made it look so easy to be a Veteran, that I might be up when I go up! Well I hope you guys have a great day and thank you again! 😊

Sincerely, Reegan
